

## Survey for *App*

### How the app should look like

mockup1	mockup2	mockup3	mockup4	mockup5	add a <b><u>new</u></b>
*	*	*	*	*	attach mu.

see proposed mockups

vote for: mockup6(+/-)   mockup7(+/-)   mockup8(+/-)   mockup9(+/-)   mockup10(+/-) ...

*(when 90% of at least 50 voters are against a mockup, this is going to be removed, mockups from the primary list above are replaced by proposed ones, when they/re highly rated)*

### What I would like to have

option1	option2	option3	option4	option5	add a <b><u>new</u></b>
*	*	*	*	*	text field

see proposed options

vote for: option6(+/-)   option7(+/-)   option8(+/-)   option9(+/-)   option10(+/-) ...

*(when 90% of at least 50 voters are against a option, this is going to be removed, options from the primary list above are replaced by proposed ones, when they/re highly rated)*

### What I would not like to have (any more)

option1	option2	option3	option4	option5	add a <b><u>new</u></b>
*	*	*	*	*	text field

see proposed options

vote for: option6(+/-)   option7(+/-)   option8(+/-)   option9(+/-)   option10(+/-) ...

*(when 90% of at least 50 voters are against a option, this is going to be removed, options from the primary list above are replaced by proposed ones, when they/re highly rated)*

### What needs most care of development

UI	Fixes	Features	something	else	add a <b><u>new</u></b>
*	*	*	*	*	text field

see proposed options

vote for: option6(+/-)   option7(+/-)   option8(+/-)   option9(+/-)   option10(+/-) ...

*(when 90% of at least 50 voters are against a option, this is going to be removed, options from the primary list above are replaced by proposed ones, when they/re highly rated)*

### What needs least care of development

UI	Fixes	Features	something	else	add a <b><u>new</u></b>
*	*	*	*	*	text field

see proposed options

vote for: option6(+/-)   option7(+/-)   option8(+/-)   option9(+/-)   option10(+/-) ...

*(when 90% of at least 50 voters are against a option, this is going to be removed, options from the primary list above are replaced by proposed ones, when they/re highly rated)*

### Something additional I want to say

text field

see additional opinions

vote for: opinion1(+/-)   opinion2(+/-)   opinion3(+/-)   opinion4(+/-)   opinion5(+/-)

...
